

# MILTON ROAD PRIMARY SCHOOL

## Admissions Policy

The admissions policy has been determined by the Local Education Authority and agreed by the Governing Body with due regard to the Education Act 1999.

### Admission Criteria

The Published Admissions Number (PAN) for the school is 60. The admission criteria determined by the LEA and agreed by the Governing Body follow in order of priority.

1. Children with a Statement of Special Educational Need which names the school or for whom this is the only school that can meet their long-term medical needs.
2. Children living in the catchment area with a sibling at the school at time of admission.
3. Children living within the school's catchment area.
4. Children living outside the catchment area with a sibling at the school at time of admission.
5. Children living outside the catchment area who have been unable to gain a place at their catchment area school because of oversubscription.
6. Children living outside the school's catchment area.

Under all criterion, in cases of equal merit, priority will go first to children who are looked after and then to children living closest to the school.

## 1 The Annual Cycle

The deadline for applications for places in the Reception Year Group is 31 March. All parents or carers applying by that deadline are considered against the above criteria.

Parents have a right to appeal to the LEA if they do not agree with the admission decision.

## 2 Autumn Term Attendance

Most children find starting school very tiring, particularly those starting school before their fifth birthday. All children in Reception classes in Cambridgeshire are entitled to full time education after autumn half term and the LEA expects Reception children to attend full time after this date. However, where a parent or carer feels that this may not be beneficial to a particular child, they may discuss an extension of part time attendance with the class teacher and headteacher
