Chairs' report – Lisa Wagner

- We were unable to run events throughout the year and so asked for donations from our generous parent-body instead
- Thanks to Liz and Andy Simmonds for Christmas tree sales which raised £3k
- Funded: Math's no problem is being implemented throughout the school; Christmas panto and class party, year 6 leaver book
- Looking forward to in person events when possible

Treasurer's report – Eric Ness

- See treasurer's report attached. Despite the pandemic the PTA raised over £24,000 over the last year and spent about the same amount. This means that the surplus from previous years (£23,500) is carried over into next year
- Fewer small requests for funding from teachers – encourage teachers to make requests

Committee

Lisa Wagner stepped down as chair after 2 years doing a fantastic job leading the PTA through the pandemic

- Secretary:

Sandy Skelton to remain as Secretary. Nominated by Maria Baraji-Cruz, seconded by Yung Chin Oei

- Events:
